I understand that I must provide income for the past thirty (30) day period from the date of my application for the PRC School Clothes for Kids Program.

I understand that all household income received during this time period must be verified and failure to do so may result in denial of my application. I further understand that should I fail to report and/or verify income and the Belmont County Department of Job and Family Services discovers unreported income at a later date, I may be guilty of committing PRC Fraud and will be responsible to pay all fraudulent assistance received.

I verify the following income sources in my household:

_____ Wages from employment
_____ Employed individual(s): _____
_____ Self-Employment Earnings
_____ Self-Employed Individual(s): _____
_____ Child Support/Alimony
_____ Social Security (Disability/Pension/Survivor Benefits)
_____ SSI
_____ Unemployment Benefits
_____ Worker's Compensation Benefits
_____ Oil/Gas Income
_____ Other: Please list type and individual receiving: _____

I understand that I must provide the needed verifications in order to determine eligibility (pay stubs, award letters, etc.).

By checking this box, I am attesting that there has been no income in my household in the thirty (30) day period listed above. I further understand that if I have fraudulently misrepresented not having any income in order to make my household eligible for this program, I will be guilty of committing PRC Fraud and be required to repay any funds issued and lose eligibility for a minimum period of 24 months or until the overpayment is repaid, whichever is longer.
